PAINTINGS FROM MAY MEETING

SPRING GALLERY SHOW WAS A SUCCESS!

Lots of people came by to see fantastic artwork by our members. We also got people to leave their email address so that we can inform them of future events provided by our group. Linda Roth won "Best of Show" (small painting on the left) and Lilly Abbott was runner up (large painting on the right). This would not have been a success without the volunteers and especially Nancy Tessonorf, Patrick Leeper and Rose Beall who took charge of the behind the scenes work.

June Demonstration

Our presenter for the June meeting will be Linda Mitchell. She will be presenting information about Plein Air techniques and palette knife uses with oil, acrylic, and watercolors. There will be time at the end of the demo for some hands on participation too.

Artist Profiles on SCFAA Website

It is still not too late you to create a story about yourself to place on the San Carlos Fine Arts Association website. If you don't think you can write one about yourself try asking your spouse, children or grandchildren to help you create one. Mainly think how you got into art in the first place whether it was when you were a kid or after you retired. That is an interesting story itself since lots of people like to know who others got started and what keeps them going. Always fascinating to hear all of the different kinds of stories. Send them to Milton Merchant at miltonmerchant@mac.com.

San Carlos Art Walk and Galerie Mistral

Every Thursday from June to August, there will be artists hawking their wares from 4 pm to 8 pm along 600 and 800 Laurel Street. The art walk is made possible by Art Liaisons, Beadcentric Jewelry and the San Carlos Chamber of Commerce. On June 9th, Art Liaisons will be having a Galerie Mistral from 5 -7 pm over at the Mistral Restaurant and Bar in Redwood Shores. For more information go to www.artliaisons.com.

In Memoriam

Dick Champley passed away on May 30th after a long illness. He was a long time member of the club and was the voice behind the Popular Vote Winners.

He was also a member of the Wednesday Night Painters, presented his artwork during August Arts selling his paintings of houses and portraits, and was at the August Member Demonstration showing us how to do oil portraits. He was a very talented artists who had very interesting stories to tell about his paintings. There will be no public funeral service.
